**The Hidalgo Borregos did it again!**

**The Borregos (The Rams) have won yet another Student Basketball Association (ABE) championship, becoming the only team to have won three “Eight Greats” Mexican college basketball titles, and they did it coming back from a losing position in the closing minutes, just as they had done in they semi-final.**

**At the start of the last quarter, they were still 11 points behind the Gallos (The Roosters) of the Monterrey Center of University Studies, who beat them in last year’s final.**

**But then, Josué Andriassi, in the number 4 jersey, seized leadership of the team and the game, scoring 5 out of 6 three-point attempts for a total of 17 points in the last quarter against the 14 team points scored by his opponents.**

**Cool and collected, Andriassi began throwing triples and calmed down his team with his game management. With 3 minutes left to play, Hidalgo’s team went into the lead, and the rest was history.**
